Dear George:

I have received your letter concerning the President speaking before the Houston Downtown Rotary Club sometime in the fall. While we have not yet set up the President's travel schedule, we certainly are going to have to be in Houston during that period. This looks like a fine group to speak before and I will be sure that it is in our Houston file for consideration this fall.

Thanks a lot for bringing this fine opportunity to our attention.

Cordially,

Jerry Jones

Dear Rome,

I passed your letter along to Mr. Jerry Jones at the White House, who is in charge of President Ford's schedule. Jerry is from Texas. The attached letter to him is self-explanatory.

It was good hearing from you again. I was sorry to have missed you on my Houston visit.

Warmest personal regards,

Sincerely,

George Bush

Dear Jerry,

At the request of my friend, Roman Arnoldy, I am passing along an invitation for President Ford to speak at the Downtown Rotary Club in Houston, Texas, in September or October. In my view, this is one of the very top organizations in Texas and great publicity always results from visits there.

It would be appreciated if someone could get in touch with Mr. Arnoldy as to whether the President could consider an appearance there at the Houston Downtown Rotary Club. It is the largest Rotary Club in the world.

Warmest personal regards,

Sincerely,

George Bush

Dear George:

I have not had contact with you for a long time, but like a lot of other people, have been able to keep up with your very interesting activities. We are proud of your progress.

We have been fortunate in our business and are now operating out of three locations, with offices up north and overseas. Our volume has grown about ten-fold since I saw you last. I am sorry we couldn't make the meeting for the YMCA the other night, as we had to be out of town.

As you may know, the Downtown Rotary Club is a unique organization. It is the largest Rotary Club in the world and manages to turn out about 600 people at their regular meetings. They may well be the largest public forum in the country. They would like very much to have President Ford address them at a meeting in September or October and since this is coming up on election time, it may be desirable for him to do so at a Thursday meeting that his staff felt might be best for the purposes of the campaign. Since you are familiar with the situation here, I wondered if you might help by proposing an address or by passing some word that might help us receive favorable consideration.

We wish you the best of luck as always.

Sincerely,

Roman Arnoldy
